

Tilak College of Education, Pune

Anti-Ragging Report

The anti-ragging week was observed in the tear up Education Pune from 12th August to 18th August 2023 by organising different activities suggested by UGC and Savitribai University Pune University.

Since the students of FIBA course are having their university examinations an online meeting was conducted on 12th August 2023 to orient the students about the anti-ragging act and different activities to be observed during the week. The discussion was held in the online meeting regarding the concept and mis-concept of dragging an anti-ragging.

As a part of observance of anti-ragging week students were encouraged to make a poster giving a strong message of anti-ragging awareness in spite of busy work of final university examination students prepared e posters about anti-ragging. The Posters are displayed in the college campus.

The link of a short film on ragging available on UGC website watch share with the student and suggested to observe it.

As our college have effective or mechanism to observe anti raging awareness throughout the year i.e., mentoring cell, our students are very keen and alert about dragging activities. They are encouraged regularly to report to the mentoring cell in-charge weekly. Our management, authorities, call it stop and students are alert throughout the year regarding observance of Anti Ragging Act guidelines.

The evidences are attached with the reports.
