culture in the direction of a center of excellence on the map of global scenario to visualize in the format of World Class Universities. The university offers innovative, practice oriented and industry relevant courses in Marine Engineering, Bioengineering, Management, Mechanical Engineering, Aerospace Engineering, Civil Engineering, Computer Science, IT, Electronics and Communication Engineering, Food Technology, Vedic Sciences and Education at UG and PG level with state of the art, well equipped modern laboratories complemented by esteemed panel of experts as mentors.

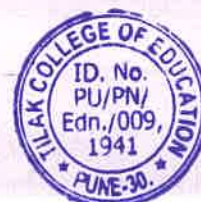

**AND WHEREAS School of Education and Research** ([mitsoer.edu.in](http://mitsoer.edu.in)) herein referred to as the MITSOER, is one of the Schools of the MIT ADT University, whose educational programs, objectives & values are in alignment with the NCTE. The school was established in the year 2008 and then in the year 2017 it came under MIT Art Design & Technology University with M. Ed, P.G. Diploma in Guidance & Counselling & Ph.D. under its umbrella and in 2018 the B.Ed. course was de-affiliated from Savitribai Phule Pune University & came under the umbrella of MIT ADTU.

**1) The vision of MIT School of Education & Research is as follows:**

We at School of Education & Research aspire to be a global learning community rooted in the ethos of value-based educational excellence and innovation for transforming learners into humane change-agents for the ever-evolving world."

**2) The mission of the School of Education & Research is as follows:**

- The mission of the School of Education & Research is to provide an intellectually stimulating and inclusive environment, metamorphosing learners into creative and reflective global education professionals and entrepreneurs.
- We intend to empower learners through technology-enabled teaching-learning practices, impactful research, innovative pedagogies, social engagements, and meaningful outreach initiatives to become life-long learners and ethical citizens of the world.

MIT ADT  
UNIVERSITY  
PUNE-411004

- Provide intellectually stimulating and inclusive environment
- Create learners who are creative and reflective global education professionals and entrepreneurs.
- Empower learners through technology-enabled teaching-learning practices, impactful research, innovative pedagogies, social engagements, and meaningful outreach initiatives to become life-long learners and ethical citizens of the world.

**AND WHEREAS TILAK COLLEGE OF EDUCATION, PUNE** is a premier and dynamic institution with an unrivaled reputation in pre-service training of teachers. Lokmanya Tilak, the eminent educationist and freedom fighter was the inspiring force in the establishment of the college.

The College has been imparting quality teacher education for the past 80 years. It is affiliated to the Savitribai Phule Pune University, Pune, and is located in the heart of Pune city. It is one of the premier and reputed institutions in the field of teacher training in the country. It has become an educational hub offering B. Ed, M. Ed, and Ph.D. courses. The institution is actively engaged in the pursuit of teaching, research, and extension activities. It has excellent Infrastructure facilities, well-equipped laboratories, and a resourceful library.

It prepares teachers, teacher educators, and researchers with sensilive and probing minds. It is actively engaged in the task of teaching, research, and extension.

Meticulous planning, prompt execution, and adapting to the changing needs of society are the strengths of the college in its endeavor towards the pursuit of excellence.

The educational programs, Vision and Mission, values, goals, and objectives are in alignment with the NCTE and UGC. The College was established in the year 1941, was affiliated to Mumbai University, Mumbai. and then in the year 1948 it came under Savitribai Phule Pune University, Pune with B.Ed. , M.Ed., M.Phil. and Ph.D. in Education.

**MIT-ADT**  
**UNIVERSITY**  
PUNE, INDIA  
A member of MIT Group

**1. The vision of the Tilak College of Education is as follows:**

We at Tilak College of Education pursue excellence in teacher education by opening global avenues in education and research for the overall development of competent and committed teaching professionals to meet the challenges of the 21st century.

**2. The mission of Tilak College of Education is as follows:**

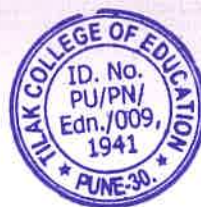

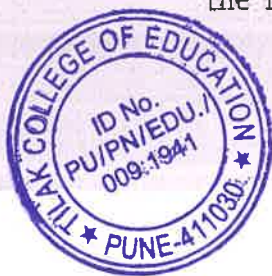

- To prepare efficient, competent, committed teacher educators, administrators and researchers.
- To provide opportunities and facilities for the overall development of teacher trainees.
- To develop sensitivity towards emerging issues in the changing society.
- To create awareness in teacher trainees about the modern trends in education.
- To undertake quality research studies, consultancy, and training programs.
- To make a quest for excellence an inherent aspect for all curricular and co-curricular transactions.
- The ultimate mission of Tilak College of Education is best described as 'Pursuit of Excellence'.

**UNDERSTANDING:**

**MIT Art Design & Technology University and Tilak College of Education hereby agree to collaborate as follows:**

This MoU enables both the parties to collaborate with each other in organizing State/ National & International **Conferences, Seminars, symposia, and Workshops.**

Tilak College of Education, being an aided institute, shall apply for funds to Government bodies. In case of any delay in receiving the funds, the program shall be conducted as decided and the finances for the same will be made in the ratio of 70% and 30% by the MIT ADT University and Tilak College of

Education, respectively. After the funds are received from the funding institutions, Tilak College of Education will reimburse the entire expenses incurred by MIT ADT University.

Both the parties also agree for the **student exchange program** where students can visit the institutes for projects, seminars or internships as per their needs.

Both the parties have also agreed for the **teacher exchange program** where teachers/ Professors from each other's departments would visit to conduct lectures, seminars, workshops for students/ faculty as per the need. During this activity no financial honorarium would be paid for the Professors, instead a letter of appreciation & hospitality is agreed upon by both the parties.

Both parties have also agreed to collaborate with each other for **research projects**. While writing research papers or books after completion of the project, due recognition should be given to the Project Directors who have worked on the project irrespective of the institute they belong to.

Both parties shall permit each other to show their relationship with the other institution in any of the publication or publicity material put out by the respective organization with prior permission of the other institution, including (but not limited to) cross hyperlinks on the websites of two institutions.

Both parties have also agreed to collaborate with each other for the **use of library resources** which includes access to journals, thesis of M. Ed. & PhD, books & also e-journals. Permission would be given to the students and faculty by showing proper Identity card & also letter seeking permission duly signed by the authority. In case the books are not returned on the said date or any kind of damage occurs to the books then the loss has to be borne by the respective institute.

MIT-ADT  
UNIVERSITY  
PUNE, INDIA  
Pursuit of Excellence

Both parties have also agreed to collaborate with each other for the use of the **Psychology Laboratory** i.e. the test procured by the institutes could be shared with each other only after the permission & signed letter which states to use the test without damaging any of them. In case there is any kind of damage found then the respective institute has to bear the cost to the other institute.

Both parties also wish to collaborate with us for the **outreach programs**. MIT SOER is already undergoing outreach activities under 'SAKSHAM' & has collaborated with Idea & Janaseva Foundation so the collaborations will be in the name of MIT SOER only but the programs can be organized by both the institutes. So both the parties will jointly conduct programs for them and students will be exchanged from both the institutes to work under these outreach programs.

Both the parties have also agreed to collaborate with each other and **write research papers and publish** them in reputed Journals but it will solely depend on the willingness of the respective faculty. It will not be imposed on any of the faculty.

Both the parties have also agreed that we would have one **Best Teacher Educator Award** every year as per their contributions in the field of Education. This will also be conducted in a democratic way through Nominations & Elections. Norms to be decided by the parties in writing in future.

Both the parties subscribe to a policy of equal opportunity and will not deny participation to students based on race, color, religion, national origin, sex, sexual orientation, age or disability.

Both parties agree to actively **promote each other's programs and activities** of mutual interest to students, faculty, other members of the institution and general community.

Both the parties agree that **intellectual property rights** of the course design, course structure, course content, pattern of teaching & examination which are designed and developed by either party, shall be fully owned by that party.

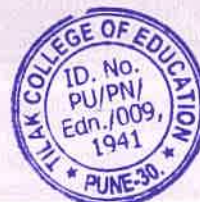

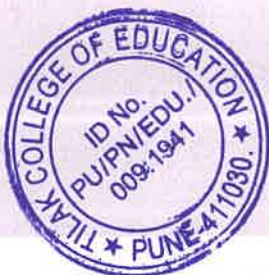

Both parties agree that they are not bound exclusively by this MoU and shall be at liberty to enter into any separate agreements or arrangements with any other third party (or institution) without reference to the other party.

### **PERIOD OF MOU**

Both parties desire to have a long term and mutually rewarding relationship. However, at present both the parties agree that this MOU shall be valid for a period of **five years** from the year **2022 to 2027** with provision for further extension with mutual consent. This agreement will take effect immediately after signing by both parties. The agreement may be modified at any time by the mutual consent of both the parties and may be terminated by either party after giving six months advance notice.

### **NOTICES & POINT OF CONTACT**

Any communication under this Memorandum of Understanding will be in writing in the English language and delivered by registered mail to the address or sent to the electronic mail address as the case may be, shown below or to such other address or electronic mail address as either Party may have notified the sender and shall, unless otherwise provided herein, be deemed to be duly given or made when delivered to the recipient at such address or electronic mail address or facsimile number which is duly acknowledged:

Party of the First Part	Party of the Second Part
<p>Dr. Asawari Bhawe-Gudipudi Principal, School of Education and Research, MIT ADT University, Vishwarajbaug Campus, Loni Kalbhor, Pune 412201, Contact Number: 9158940333 Email: <a href="mailto:asawari.bhave@mituniversity.edu.in">asawari.bhave@mituniversity.edu.in</a></p>	<p>Dr. Radhika Inamdar Principal, Tilak College of Education, S.P. College Campus, Pune, Maharashtra 411030 Contact number: 9881492874 Email: <a href="mailto:mitce@gmail.com">mitce@gmail.com</a></p>

Each party will appoint or designate a **coordinating officer** for regular communication, monitoring and promotion of joint collaborative activities.

Both parties agree to designate, on behalf of each institution, a coordinator whose responsibility will be to supervise the execution of this MoU and to draw up programs or activities to be implemented under this MoU, setting out specific provisions concerning the exchange programs, budget requirements and details of funding.

MIT ADT University notifies **Dr. Namrata Kamble**, Asstt. Professor, School of Education and Research, as its coordinator, whereas Tilak college of Education notifies **Dr. Dipak Chavan**, Professor, as its coordinator.

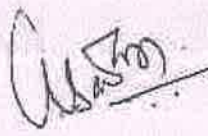

IN WITNESS WHEREOF the Parties hereto have set their hands on the day and year first above written.
