- iSaxaa , ]pdoSa krNao
- Educare- To lead out vyai@tMtIla  
xamataMcaa ivakasa
- Educere- To bring up palanapaoYaNa krNao

Education means bringing out the ideas of  
Universal validity which are latent in the  
mind of every man.

Socratic

प्रत्येक मनुष्याच्या मनात  
अद्वैतवाक्ये स्वभावतः  
अज्ञानाबाहेर काढून  
मनात साक्षात् हा

# Concept of Sociology

- The study of man in society gave birth to a new discipline called Sociology.
- Sociology – August Comte 1842
- Sociology = Socius + Logus  
sahcar , saabatI  
latin word = Society + Study / Science

SOCIOLOGY = SCIENCE OF SOCIETY

- Principal of Sociology or Father of Sociology 1876 –  
Herbert Spencer

- Sociology is the systematic & orderly study of man in society, that is group of customs ,life, traditions, institutions & ways of thinking & living which are linked to group life.

Kimball young

- Sociology as a science which interprets social behavior with the aim of arriving at a casual explanation of human behavior.

Max Weber

## Education Sociology

A science which describes & explains the institutions, social groups & social processes that is , the social relationships in which or through which the individual gains & organises his experiences.

George Payne

- George Payne used this term for first time
- He used this term in his first book - "THE PRINCIPAL OF EDUCATIONAL SOCIOLOGY"

We can say that Edu. Sociology means that –

- To attain the objectives of sociology through the educative process carried on by the school & the community
- The study of those aspects of sociology that are of significance of educative processes
- Analyses & evaluates the group & institutions in which learning takes place & the social processes involved in learning & teaching
- An understanding of both the individual & his social environment. It is the process of social interaction that provides the subject matter of Edu. Sociology
- It is the social interaction that provides the subject matter of Edu. Sociology

# **SOCIOLOGY OF EDUCATION**

- The scientific analysis of the social processes & social patterns involved in education system
- The area of discipline developed (Angell) & study (Reuter) on the basis of researches in school situation as the sociology of edu.

## Educational Sociology

1. Father-George Payne  
Applied Sociology –  
Vilam T Harice

2. It would imply an  
emphasize upon  
Educational & social  
question

3. Application side of  
sociology

## Sociology of Education

1. R. C. Angel

2. It Would emphasize  
upon sociological problem

3. The purest traditions of  
sociology
