## M. Ed. CURRICULUM PLANNING

#### Curriculum Planning -

The college follows the guidelines laid down by the Savitribai Phule Pune University Pune in particular. All faculty members gave their inputs to prepare a year plan to provide 90 days of teaching in an academic Semester. The M. Ed. Staff put in extra effort to conduct extra classes (if need be) to complete the course syllabus and also give the guidelines about the nature of examination.

The meeting for planning to run the curriculum in proper manner is being arranged which is chaired by the Principal and participated by the Head of the M. Ed. Department and faculties. Framework of the academic calendar is decided in the meeting.

According to the year plan Implementation process takes place under the supervision of the head of the Institution. On the 1st day of the college a staff meeting is held and detailed discussion regarding the effective implementation of the curriculum and co-curricular activities. Various committees were formed to carry various responsibilities. Course incharge professor conduct the meeting of concerned professors who are involved in course teaching and distribute the portion of syllabus along with practical and activity work. Course incharge maintained the record of activities and practical work.

For enrichment the quality of the course all faculty prepare course material in the form of PPT. Blog, web resources etc and share it with students for additional learning. All the academic activities are monitored under the headship of the principal. Some faculties are the members of Board of studies of Savitribai Phule Pune University. They notify time to time regarding curriculum framing and suggest changes if any. Faculty giving contribution in curriculum planning in the form of preparation of curriculum, preparation of framework of syllabus, content development and writing, selection of elective subjects open courses, mode of transaction for curriculum implementation.

Faculty are using various modes of transaction for curriculum implementation. such as

Lecture method, PPT-presentation. Discussion method, project based learning, Practical discussion, activity orientation, Assessment and evaluation etc.
