Samprasad sir , Dr.vaze Dr.Chiltale and Dr. Priya Singh Dean, Faculty of Humanities & Social Sciences, Dr.Radhika Inamdar principal of tilak college of education graced the inaugural function. The event started with the digital lighting of the lamp followed by the world peace prayer.

Inaugural Session

Dr.Priya Singh, Dean, Faculty of Humanities and Social Sciences delivered the welcome speech. She expressed her gratitude towards Prof. Dr. Vishwanath Karad and Prof. Dr. Mangesh Karad for their vision and support. She elaborated the premise of the entire International Conference and also briefed the participants about the objective and thought process of the same. Towards the end, she emphasized on the importance of Innovation having a learning attitude from the participants for the journey.

Dr Prof. Sanjeev Sonawane, pro vice chancellor SPPU ,sir focused on the title of conference Unity,Peace and Innovation He said world's problems can't be solved without unity and how innovation leads to unity which starts at school level and how teacher can inculcate innovation with variety of instructional strategies. Before innovation identification of problem is first step research is nothing but understanding the world in which we are living, if product and process the remove the gap with the knowledge and its application it is the step of innovation, Sir focused the how the innovation is taking place and innovative thinking we can create , NEP expected to know confirmation of learner learning ,achievement of learner at the end of semester, we have to find out innovative pedagogy for shifting from content to the competencies .we are having many opportunism and challenges are around us,as teacher we should have that depth eyesight , sir gave wishes for this eye opening experience.

Shr.Keshav Chintaman Vaze member management council SP Mandali's Pune enlightened with some examples how your interest leads toward innovation in your field and it gives satisfaction and peace of mind and sir said nowadays the whole world is connected and united because of this innovation, we should adopt innovation and go ahead towards development .

Dr. shri krishna chitale vice chairman he touched up on the concept of innovation , innovation come up with question asked by why, unless questioning to yourself innovation never take place , "why" is the base of any innovations

Dr. Anant Chakradeo, Pro-Vice Chancellor, MIT ADTU respected sir expressed that Innovation and Peace and Unity are very connected words but practically its completely different we all are united India is only one country which sins ages believe that one world one family that's the reason entire world is looking toward us , the aim of conference suggested that emphasis on how to be remain united how world be remain peaceful society and how would be then goes toward

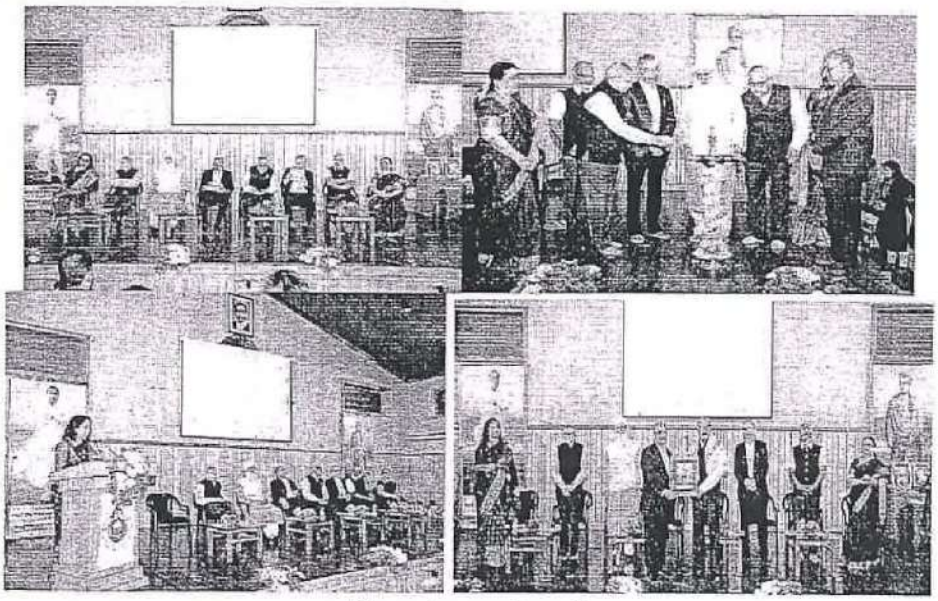
constructive innovation, which will be finally improve the our wellbeing.
vote of thanks for inauguration by Namrata Kamble maam co convener of International conference



Keynote speaker 3
Speaker: Dr. Samprasad Vinod
International yoga guru
Topic: Yoga

Innovation means something coming new for the first. We need a peace of mind to create new things ,for new creation to transcend the mind and it's possible when your mind is completely silent that you should know how the mind functions. Peace of mind and innovations are connected each others, sir shared " I " which creates seperation , we need to be aware of that I for peace ,unity and innovation. If your I is peaceful then only you will emanate peace in the world.with the activity sir maid realized everyone how meditation is important to connect yourself and for peace mind and innovation.

Plenary session 1.Dr. Varsha Shukla talked about innovation in teaching, learning, and knowledge transformation. Madam shared experiences and the techniques which were used at institute level, such as peer learning ,hands-on learning, experienced learning through cloud activity and madam highlights inculcation of research culture which lead to the innovation.

2. Dr. Himini Chaukar, how innovation is required for unity and peace , as the time changes for that innovation required mental health counseling, suggested that if you catch the problem at a young stage, you can manage well with the help of a philosophical and physical mentor . we can be successful if you take baby steps that we can take in order to meet one step closer to another toward our goal o then we will be able to create strong value foundation become strong citizen, better policy maker will make better human being and finally that will be lead towards world

3. **Dr. Rohit dubey** Focused on Innovation and startup and policy and different activities conducted by the Indian government . sir interacted with audience and gave new view to look toward innovation, and said as teacher we have give a freedome , opportunity to students to ask a question because when questions arise same time mind starts thinking to solve it and innovation happends. If we are able to solve some of the problems , we are able to create the innovators who can solve these problems and create ethical wealth for society so that we can become a powerful and peaceful socity .

4. Dr. Rahul More began with activity and shred "education disseminated more knowledge research creates new knowledge and innovation converts that knowledge into good wealth and social good" and explained in order to that how today's conference is
