Book Bank Policy

The college implements a book bank policy, ensuring students receive a prescribed set of textbooks necessary for their entire academic program. These books, spanning from standard five to standard ten, cover essential subjects and methods relevant to their coursework. Students are not charged extra for this service. The books are distributed at the beginning of the academic year and collected back after the completion of their second-year final examinations. Every student is provided with a book bank card to keep track of the books they receive.
