5.3.1. SRC driven activity - Assembly

Reports 2021-22 & 2022-23

Student's representative council members are the leaders of different mentoring groups they are elected as a leader of their group all leaders are the essential part member of student representative council. There are many activities conducted and allotted to the mentoring groups. One of the major activities that is conducted by SRC by including all the students is 'Assembly'.

The Assembly is a part of every day's timetable. Before the beginning of lectures, the assembly is conducted by a particular group in the assembly the National Anthem, the university song and college prayer or mandatory apart from that list of the activities are decided by the particular mentoring group. The group has choice to select any activities to be conducted in the assembly for example today's news highlights, quiz, interesting information, ICT development, different courses, moral story etc.

As a part of an assembly SRC members are also motivated to make rangoli, to draw cartoons, write thoughts, on all the boards in the campus. They are also allowed to display information and posters on notice boards.

The timetable of Assembly is given to the SRC so that they plan accordingly. A week is allotted to a mentoring group. Before the activity, SRC member with the mentoring group students are expected to discuss about their plan with their faculty in-charge. After activity they are expected to write a report and submit to the mentoring Cell in charge.
