## E-Governance Annual Report 2022-2023

Effective E governance is the cornerstone of Tilak College of Education's ability to provide quality education and adapt to the evolving educational landscape. This report outlines our E governance practices in four key areas: Planning and Development Administration, Finance and Accounts, Student Admission and Support, and Examination Systems.

### **Planning and Development Administration:**

**Communication Channels:** To facilitate effective planning and development administration, we utilize email and WhatsApp groups for seamless communication among staff and committees.

**Connectivity:** A robust Wi-Fi infrastructure ensures continuous connectivity, enabling staff to access relevant data and resources for planning and development activities.

### **Administration:**

**BSNL Broadband:** Our administrative tasks benefit from BSNL broadband connectivity, ensuring reliable internet access for various administrative functions.

**Library Automation:** We employ Slim Software for library automation, enhancing the efficiency of cataloguing and resource management.

**Financial Record Keeping:** The office maintains a meticulous trial balance, ensuring accurate financial record keeping and compliance.

**AISHE and HTE Sevarth Pranali:** These digital platforms aid in maintaining educational and institutional data as per regulatory requirements.

**Finance and Accounts:** Tally ERP 9.0: Our finance and accounts department utilize Tally ERP 9.0 for robust financial management, ensuring transparency and accuracy.

**Online Fee Payments:** Students have the convenience of paying fees through UPI and NEFT, streamlining financial transactions.

#### **Student Admission and Support:**

**Communication Channels:** WhatsApp groups provide a platform for effective communication with students, disseminating information and offering support.

**Online Document Verification:** We have implemented online document verification processes, simplified admission procedures and ensuring accuracy.

**Query Resolution:** Our office actively addresses student queries both online and offline, providing prompt and comprehensive assistance.

#### **Examination Systems:**

**University Integration:** Exam forms are submitted directly to the university website, simplifying the examination process for both students and administrators.

**Online submission of Internal Assessment Marks:** Internal assessment marks for First Year (F.Y.) and Second Year (S.Y.) are submitted to the university online through the University of Pune website, ensuring accuracy and transparency.

Tilak College of Education's governance practices reflect our commitment to efficiency, transparency, and adaptability. Through email, WhatsApp groups, and Wi-Fi, we facilitate effective planning and development administration. BSNL

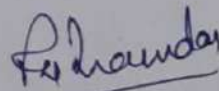

broadband, library automation, and trial balance maintenance enhance our administrative capabilities. The utilization of AISHE, HTE Sevarth Pranali, and Tally ERP 9.0 ensures efficient financial and administrative management.

We prioritize students by offering convenient fee payment methods, creating WhatsApp groups for communication, and implementing online document verification. Our responsive query resolution mechanisms, both online and offline, further support student needs.

In the examination domain, we have streamlined processes through direct university integration and online internal assessment submissions.

These governance practices enable Tilak College of Education to provide quality education, adapt to changing needs, and uphold transparency and efficiency in all our operations
