Eduscope 2022

The University of Nova Gorica and the UNESCO Chair of Open Technologies for OER and Open Learning at the Jožef Stefan Institute announce the Open Education for a Better World Eduscope 2022, which will take place from 20 to 22 September 2022.

OER projects developed through the 2022 OE4BW Mentoring Programme will be presented with short pitches and receive direct feedback in a panel discussion. At the same time, the event will host an Online Learning Symposium: *"Bridging Educational Emergency to Digital Pedagogies"*, a multiplier event of the BRIDGES project, where research and experience track papers on several topics referring to digital pedagogical practices be presented.

The program will be complemented by keynote presentations on the role of Open Education in Emergencies like COVID 19, Best practices in open pedagogy, Open Education and inclusive knowledge society – Leadership and Language Issues, Open Source Authoring Tools to Create Open Educational Resources, Visual Communication Technologies and Their Applications in Education.

The conference aims to share ideas and experiences, create new opportunities for people to network and create together, promote diversity of goals, backgrounds, and cultures, and contribute to implementing the UNESCO recommendation on open educational resources while addressing various sustainable development goals.
