Background

Tilak College of Education is a renowned and constantly evolving institution known for its outstanding record in preparing future teachers. It owes its inception to Lokmanya Tilak, a prominent figure in the field of education and a patriotic leader. The college was founded on the 20th of June, 1941, and has been dedicated to providing high-quality teacher training for more than eight decades..

Our Parent Institute **Shikshana Prasarak Mandali's**

Our parent organization, Shikshana Prasarak Mandali, Pune, which was established in February 1888, has created an ideal setting and intellectual motivation for the establishment of Tilak College of Education. This college aims to train educators who possess inquisitive and empathetic minds. The institution is actively involved in the fields of education, research, and community outreach.

From Principal's Desk

It brings me great joy and a sense of achievement to address you as the principal of this esteemed institution, Tilak College of Education. Our institution was founded in 20 June 1941, and in the year 2025, we proudly mark our 83th year of a remarkable journey. Throughout these eight decades, our commitment has always been to uphold exceptional academic standards and to strive for excellence in the field of education.

We are dedicated to providing our students with a wide range of opportunities and comprehensive support to develop proficient teaching skills, both in the online and offline realms, in response to the evolving needs of our time. Right from our inception, we have been steadfast in furnishing our students with the finest resources and state-of-the-art infrastructure.

We firmly believe that education is not just a means to secure employment but a pathway to a brighter future and a heightened sense of social responsibility.

I take immense pride in our students who have consistently excelled academically and in various co-curricular activities. Our devoted and capable faculty members are tirelessly working to equip our students with the latest knowledge and skills, enabling them to thrive in a competitive world. Our campus exudes a vibrant atmosphere filled with enthusiasm and offers a plethora of activities within a pleasant environment.

I extend a warm welcome to you at Tilak College of Education, and it is our utmost priority to ensure that your association with us is fruitful, enriching, and memorable.

Thank You

**Dr. Radhika Inamdar
Principal
Tilak College of Education**

Remarkable

Over the course of the last 80 years, the institution has made significant advancements, starting with the launch of the M.Ed. program in 1947. The college's faculty achieved a notable milestone by obtaining the first Doctorate in Education at the University of Pune. The college's strengths lie in its careful planning, timely implementation, and its ability to adjust to the evolving demands of society as it strives for excellence.

Vision

To pursue excellence in teacher education by opening global avenues in education and research for the overall development of competent and committed professionals to meet the challenges of 21st century.

Mission “Pursuit of Excellence”.

- To prepare efficient, competent, committed teacher educators, administrators and researchers.
 - To provide opportunities and facilities for the overall development of teacher trainees.
 - To develop sensitivity towards emerging issues in the changing society.
 - To create awareness in teacher trainees about the modern trends in education.
 - To undertake quality research studies, consultancy and training programs.
 - To make quest for excellence an inherent aspect for all curricular and co-curricular transactions.
-

Objectives

The institution tries to inculcate and promote the following values amongst its stakeholders.

- Modesty, sensitivity, punctuality and neatness.
- Gender equality, dignity of labor and scientific attitude.
- Patriotism, national integration and tolerance towards all religions.

Our institution is dedicated to pursuing its mission by focusing on the following objectives:

- Providing education grounded in values.
- Equipping students to become capable and dedicated educators.
- Preparing individuals to become proficient teacher educators.
- Training efficient administrators.
- Cultivating researchers.
- Ensuring the holistic development of teacher trainees.
- Increasing awareness of emerging issues such as the environment, population, education, gender equality, and legal literacy.
- Promoting inclusive education.
- Nurturing an understanding and appreciation of global education trends.
- Enhancing soft skills and life skills.
- Fostering a culture of technological proficiency among teacher trainees.

These objectives are communicated to stakeholders through various means, including:

- Posting information at the entrance of the college building and in the library.
- The principal's annual address at the start of each academic year.
- Displaying information on bulletin boards throughout the institution's campus.
- Distributing printouts in students' daily diaries and other informative academic materials.

Courses We Offer

- **B. Ed. (2 years)**
- **M. Ed. (2 years)**
 - **M.Phil.**
 - **DSM (1 year)**
- **YCMOU (B.Ed.) (2 years)**

. Programs

B.Ed.

Started in the year 1941, this institution is affiliated with Savitribai Phule Pune University in Pune and offers a two-year B.Ed program. It boasts a dedicated and well-designed facility with independent buildings for various purposes, including well-equipped Psychology and Science Lab, a Computer Lab, a separate building for the Library and Reading Hall, a Multi-purpose Hall, and even sports facilities on the grounds. Additionally, the institution provides Method Laboratories for various available teaching methods. Two divisions of English and Marathi

M.Ed.

Post Graduate Department. Since last 40 years, M.Ed. Courses are conducted in the college on no grant basis. Up to 2006, the course was of two years duration and conducted in vacations only. From 2005-2006 the regular M.Ed. Course was established by University of Pune. This course is a full time and of one year duration. This college started its first regular batch on non-grant basis from 2009-2010.

M.Phil & Ph.D

Tilak College of Education has a well-established research Centre, which happens to be one of the longest-standing research centers within Savitribai Phule Pune University in Pune. This Centre offers M.Phil. and Ph.D. programs with modern library that are officially recognized by the university. We are dedicated to offering comprehensive research facilities to our aspiring research scholars.

Library department

Library Construction Information

The library building was constructed in 1979. The total area of the library is 4400 square feet, which includes a separate reading hall spanning 1800 square feet and a stacking area covering 2000 square feet

Library Operation Details

- The regular operating hours of the library are typically from 10:00 a.m. to 5:00 p.m.
- During examination periods, the library extends its hours, opening from 9:00 a.m. to 6:00 p.m. It also remains open on Sundays and holidays if require and any changes to these timings are communicated as needed.
- The library offers book lending services for home reading to all students, faculty members, and other college staff.
- A book bank facility is available, subject to a deposit payment.
- At the start of the academic year, every student is provided with a set of school textbooks (to be returned) along with essential supplies like a roll-up and duster.
- The library provides teaching aids such as maps, charts, outlines, globes, and geometry instruments.
- The Reference and Periodical Section of the library is open for open access, and it can be accessed by general sections upon request.
- The library arranges book shows to help users become familiar with its collection. Internet facilities are also available for library users.

Regular Members encompass college students, teaching faculty, visiting instructors, and support staff, as well as former staff members who are exempt from library fees.

On the other hand, Other Members include former students and external research scholars pursuing M.Phil. or Ph.D. They are granted specific time-limited access with the condition of paying a library fee and deposit

Research Department

The research department at our college, known as the M.Phil and Ph.D Research Department, has a rich history. It was established back in 1943, and in 1981, our college introduced the M.Phil. in Education Course. Over the years, our research department has played a significant role in advancing the field of education. Notably, Dr. B.G. Bapat made history as the first Ph.D. student from both our college and the University of Pune to successfully complete his Ph.D. under the guidance of Prof. N.V. Patankar in 1957.

In 1981, the University of Pune launched the M.Phil. Course, and since then, more than 99 students have earned their M.Phil. Degrees through this program. Additionally, starting in the academic year 2008-2009, the Yashwantrao Chavan Open University began offering its M.Phil. Course at our center. Students have enrolled in this program, and have received their M.Phil. Degrees from YCMOU.

Since the academic year 2010-11, our Research Department has been actively providing research support to teacher educators. During that year, we extended research assistance to teacher educators & research guides who are affiliated with colleges under the Savitribai Phule Pune University.

Furthermore, our esteemed faculty members have successfully completed numerous research projects, which received funding from organizations such as the UGC, BCUD, IUCTE, and ICSSR.

Research Guides of college:

Board of Students' Welfare

Since the academic year 2005-06, our college established the Board of Students Welfare with the aim of fostering the holistic development of student teachers and ensuring their well-being. The key objectives of this initiative are as follows:

- Foster a sense of respect for labour and cultivate a strong work ethic among student teachers.
- Offer financial assistance and support to student teachers when needed.
- Promote environmental awareness among student teachers.
- Provide specialized academic guidance to students from underprivileged backgrounds.
- Organize personality development programs tailored for female students.
- Cultivate leadership qualities among student teachers.

Arrange various programs to raise awareness among student teachers about different social initiatives and issues.

Placement Cell

Our main focus is on the allocation of students to various educational institutions. Numerous well-regarded schools and colleges regularly submit requests to our college for skilled and capable teachers, both for English and Marathi medium, across all levels of education, including Higher Secondary, Secondary, and Primary, to serve various School Boards and International Schools.

- Maintain a student database.
- Exhibit job openings and advertisements.
- Encourage, coach, and equip students for job interviews.
- Offer career advice to students.
- Arrange workshops and seminars on personality enhancement, simulated interviews, and group discussions.
- Coordinate soft skills training sessions for students.
- Facilitate both on-campus and off-campus recruitment opportunities.

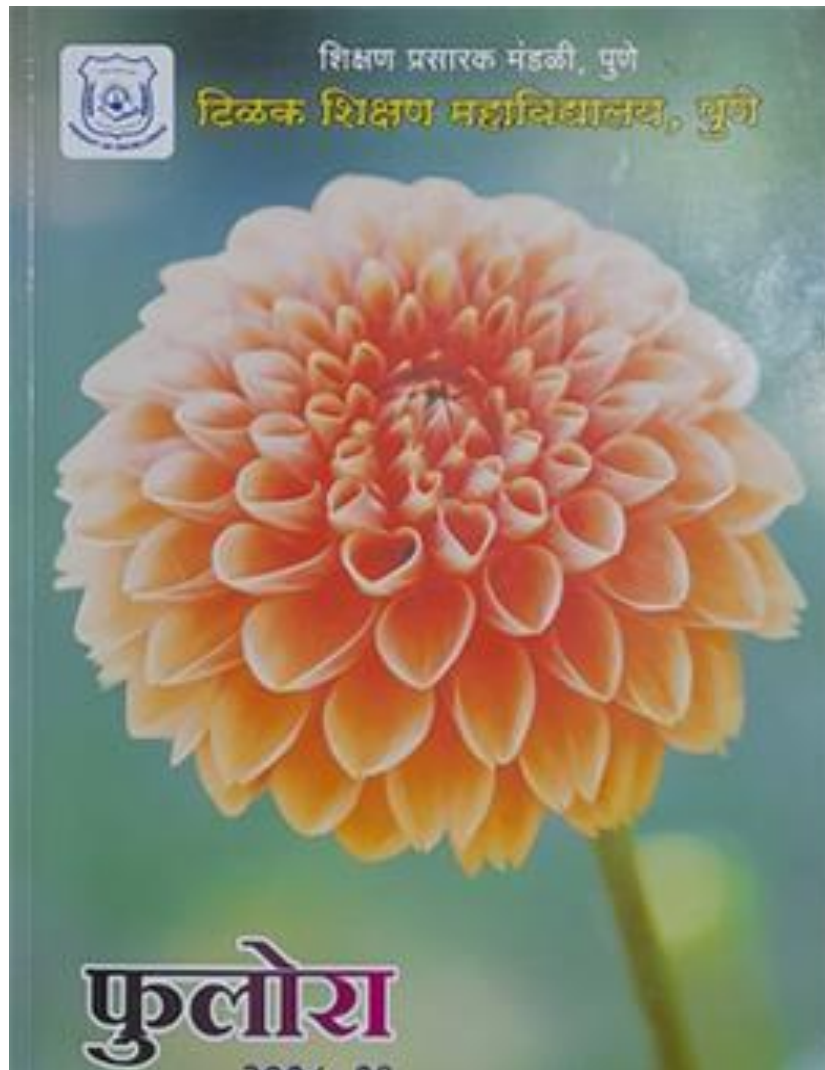

Child Right Cell

On January 27, 2011, the College established the Child Rights Cell with the following aims:

- Gathering information related to child rights.
- Promoting awareness about child rights among student teachers.
- Encouraging and facilitating research on child rights.
- Arranging various programs to educate people about child rights.
- Publishing literature on the subject of child rights

TCE Alumni Association

TCE Alumni Association is formally registered in January 2024. Every year, a formal program is organized for all past students on the special occasion of Makar Sankranti, bringing together alumni to celebrate the festival and reminisce about their time at the institution. Alumni contributes in college growth academically and financially.

Publication of Tilak College of Education

The College has a glorious history of publication, the college was started on 20th June 1941, and the building of the college was almost ready but the college took possession on 7th August 1941, the first Annual of Tilak College of Education was published in 1942, and since 1942 till date the college is publishing Annual of Tilak College of Education every year, up to the year 2005-06. Later on, the name is given to the Annual as “Phulora”

We have conserved them in the binding form, the first book entitled “A Review of Modern Education in India” (1813 to 1941) by J.P. Naik Member of the provincial Board of Primary Education, and Member of the provincial Board of Adult Education. The book was published on 15th March 1943, and its cost was 12 Anne, later on, it was sold at Rs. 1/- Now the PDF of this book is available on the internet in the Internet Archive.

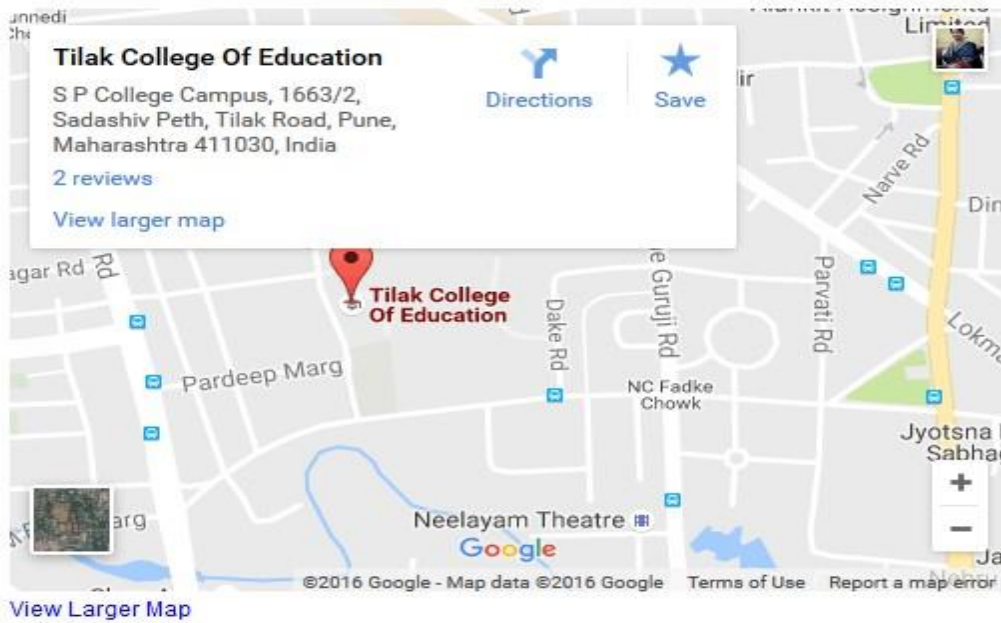

There are various kinds of publications like print publications and digital publications, we also categorized our publications into personal publications of faculty members and publications of our college, we do have a variety of digital publications like documents, PDFs, E-Books, PowerPoint presentations, podcasts, YouTube videos, The college has a heritage of print publications since 1942 as an archive in the library.

There are various ways to disseminate publications, such as circulating the printed Annual of Tilak College of Education to every student, college library, website, LMS, WhatsApp groups, Facebook groups, display boards, etc. The college publishes a souvenir Annual of Tilak College of Education-PHULORA, and one handwritten Journal made by the student-teachers every year. Till date the college has published more than 200 books,

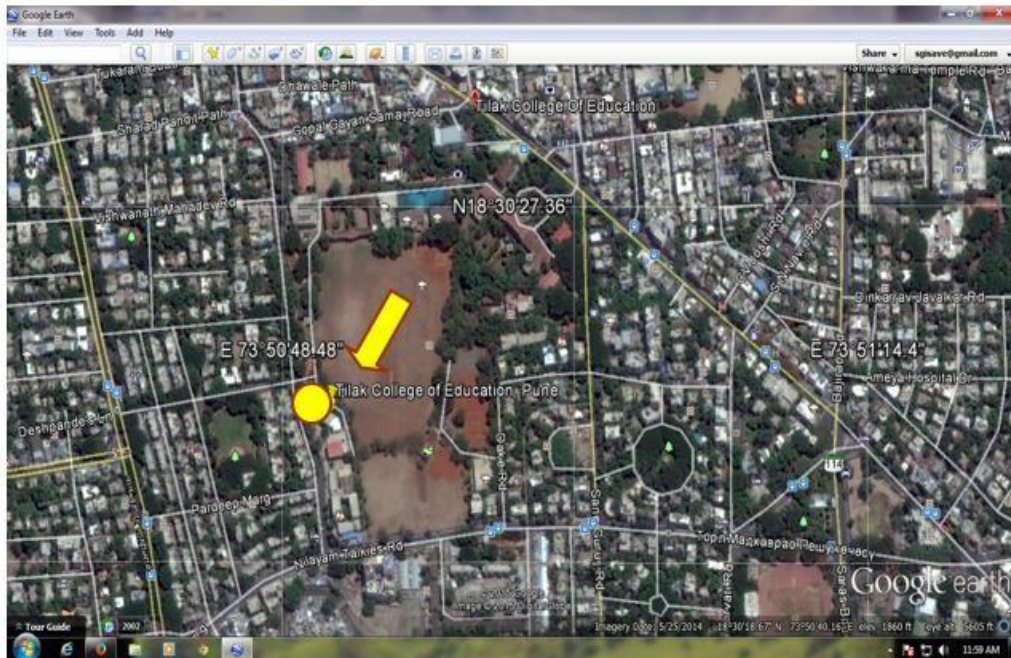

Digitization of the rare publication

The College has undertaken the project of conservation of rare publication, so we have digitized the Annual reports of the college from 1965 till date, the digitization of 1942 to 1964 is under progress, all the new publications are available in digital format.
