TILAK COLLEGE OF EDUCATION PUNE 30

National Conference

On

***Artificial Intelligence in Education—
Multidisciplinary Perspective***

16th & 17th March 2026

About the College

Tilak College of Education, Pune, established on 20th June 1941 and managed by Shikshan Prasarak Mandali, Pune, is a premier institution dedicated to teacher education. With a legacy spanning more than eight decades, the institution has consistently contributed to the preparation of professionally competent and socially responsible teachers. The college offers B.Ed., M.Ed., and Ph.D. (Education) programmes and emphasizes quality assurance through curricular planning, innovative pedagogical practices, & research promotion in alignment with national policies and regulatory frameworks.

About Pune

Pune is widely recognized as one of India's leading educational and Information technology hub, surrounded by scenic hills, historic forts, serene lakes, and vibrant towns, Pune offers a wide variety of nearby destinations for nature lovers, adventure seekers, and cultural explorers alike. Nestled in the Western Ghats of Maharashtra, India, Pune is a city where history and modernity coalesce seamlessly, offering travelers an enriching, multifaceted experience with Purna Lake, Mulshi lake, Parvati hills, Sinhgad fort, Dagadushet Ganpati, Bhimashankar, LalMahal, Sarasbaug & Raja Kelkar Museum. The city hosts renowned universities, research institutions, and professional colleges, alongside a strong presence of IT industries, technology parks, and start-ups. This unique blend of academia and industry fosters innovation, research, and industry-academia collaboration, making Pune an ideal destination for academic conferences and intellectual exchange.

About the Conference

The National Level Conference on Artificial Intelligence in Education – Multidisciplinary Perspective is envisaged as an academic platform for systematic deliberation and knowledge exchange among academicians, researchers, teacher educators, teachers, educational and administrators. The conference seeks to encourage the emerging role of Artificial Intelligence in transforming educational processes across disciplines and levels of education. Emphasis is placed on interdisciplinary integration of education, technology, psychology, data science, ethics, and policy to foster safe, ethical, innovative, inclusive, and future-oriented educational practices in alignment with national priorities.

Sub-Themes

1. AI - Driven Personalized and Adaptive Learning
2. Generative Artificial Intelligence for Teaching and Assessment
3. Artificial Intelligence in Language and Multilingual Education
4. Application of AI in STEM Education & knowledge discovery
5. AI in Arts, Social Sciences and Values
6. AI for Commerce, Management, and Entrepreneurship
7. Integration of AI tools in Teacher Education & Research
8. Safe, Inclusive, Ethical, and Future-Ready AI Education
9. Any other topic related to Artificial Intelligence in Education & Research.

Objective of Conference

1. To enhance the role of Artificial Intelligence in transforming teaching, learning, and assessment practices across disciplines and levels of education.
2. To encourage the applications of Generative AI and AI-driven personalized learning systems for improving learner engagement and educational outcomes.
3. To analyze the integration of Artificial Intelligence in language education, multilingual learning, and promotion of Indian and regional languages.
4. To understand the role of AI in STEM, social sciences, commerce, management, and entrepreneurship education through interdisciplinary approaches.
5. To assess the impact of Artificial Intelligence on teacher education reforms and professional development, with focus on competency-based pedagogical practices.
6. To deliberate upon ethical, inclusive, and equitable use of Artificial Intelligence in education for sustainable and future-ready learning environments.
7. To promote multidisciplinary research, academic collaboration, and policy dialogue on Artificial Intelligence in Education aligned with national priorities.

CALL FOR PAPERS

Original research papers, conceptual papers, are invited from College Teachers, Teacher Educators, Teachers, Researchers, Research Scholars, and Students. Papers should be submitted in **English or Marathi**. The paper should not exceed **2000-2500 words**, including an abstract of **250-300 words**, and must be original and unpublished.

PAPER FORMAT & SUBMISSION GUIDELINES

English:

Font: Times New Roman | Title: 14 Bold | Text: 12 |
Line spacing: 1.5 Single | Margin: Left 1.5", others 1"

MARATHI:

Font: Mangal | Kokila | Unicode | Nirmal | Title: 16 Bold | Text: 14 |
Line spacing: Single | Margin: Left 1.25", others 1"

REGISTRATION DETAILS

Registration will be done through a Google Form. Participants are requested to upload the payment receipt and institutional identity card while registering for the conference.

Category	Participation	Spot Registration
Faculty	1200₹	1400₹
Research Scholar	900₹	1000₹
Student	500₹	700₹

PUBLICATION

Only registered and presented papers will be published in the peer-reviewed conference proceedings with an ISBN. The paper must be original and will be screened for plagiarism.

CERTIFICATE

All registered participants receive a Certificate of Participation & or Presentation.

IMPORTANT DATES

- Conference Dates: **16th & 17th March 2026**
- Last Date for Full Paper Submission: **14 March 2026**
- Kindly Complete your registration by 14th March 2026 by using link below
